1 this point? Mr. Loeser?

2 MR. LOESER: Sure. I'm happy to start, your
3 Honor. And, first of all, having the conferences is
4 helpful, just as a starting place because conferences are --
5 are very helpful for the parties, gets everyone to pay
6 attention to issues that need to be resolved. It gives us a
7 chance to tell you what's going on.

8 To start, I would just like to tell you that there's
9 been a -- a significant change in how Facebook communicates
10 with the Plaintiffs since the last hearing. Ms. Ring has --
11 has joined the effort, you know; and Plaintiffs have had a
12 number of cooperative and helpful conversations with her. I
13 just want to -- to note that, because I think it's important
14 to recognize. We think it's a good sign for how things are
15 going to go in the future.

16 That said, we do have some serious concerns about the
17 pace of discovery still, the status of productions that are
18 not yet complete; and I think it's important to talk about
19 them because they impact the schedule and what we think
20 should happen with your Honor's -- hopefully with your
21 Honor's blessing on what should happen with the schedule.

22 And, so, if your Honor would find it useful, I can walk
23 through the open issues just briefly and then come back to
24 the schedule at the end of my remarks.

25 THE COURT: Sure.
